

ADDENDUM TO THE MEMORANDUM OF AGREEMENT
BETWEEN THE
ENGLISH LINGUISTIC SOCIETY OF JAPAN (ELSJ) AND THE
ENGLISH LINGUISTIC SOCIETY OF KOREA (ELSOK)

The two societies have agreed to the addition of items 3.1.1 and 3.1.2 to Article 3 of the original Memorandum of Agreement, as specified below:

3. DESCRIPTION of the Collaboration to be PURSUED:

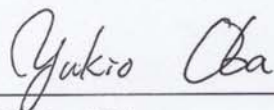

3.1 Exchange (an) invited speaker(s) to each society's annual conference/forum.

3.1.1 To make the exchange of (an) invited speaker(s) for each society's annual conference/forum easier, we agree that (i) what each society prepares for the invitee(s) of the other society is simply the "spot(s)" in the program for the presentation(s) of the guest speaker(s); (ii) the travel and accommodation are to be taken care of by the invitee(s) himself or themselves; and (iii) no honorarium is provided.

3.1.2 For the present, in principle, the maximum number of invitee(s) is two. The types of presentations given by the invitee(s) are to be negotiated each year. These include plenary lectures, presentations in the general session, etc. With the prospective development of the interaction between the societies, the number of invitee(s) will be increased.
